G General remarks of the German mission for submittal of a Schengen visa application

- Applications are processed within 15 working days from the day of arrival at the visa section. When submitting your application via VFS application center, please keep in mind that the visa application will need up to two working days to reach the visa section. Public holidays of the German missions as announced on our website will not count as working days.
- Please note that individual status inquiries cannot be answered within the standard processing time of 15 working days.
- A booked flight ticket does not result in a preferred processing of the application.
- All documents, forms and declarations have to be submitted either in German or English. All documents, forms and declarations not in German or English have to be submitted with proper German or English translation. Failing to provide proper translation will result in the document, form or declaration considered “missing”

H Special remarks of the German mission for submittal of a Schengen visa application in the respective category

- If you are planning on working in Germany on your Schengen Visa, kindly check with the inviting company whether you need a (Pre-)approval of the Federal Employment Agency (Einvernehmen und / oder Zustimmung der Bundesagentur für Arbeit!)

The (Pre-)approval of the Federal Employment Agency (Einvernehmen und / oder Zustimmung der Bundesagentur für Arbeit) has to be obtained by the hosting company / institution directly at the Federal Employment Agency and has to be presented when submitting the visa application. The visa section cannot apply for these documents. Be aware that if your visa category requires a (Pre-) approval of the Federal Employment Agency (Einvernehmen und / oder Zustimmung der Bundesagentur für Arbeit) and you cannot provide us with the same in your application, this justifies grounds for rejection!

I Declaration of the visa applicant (signed by the representative if application is submitted by him/her at the VFS VAC on the day of submittal)

I have taken note of the general and special remarks as mentioned under F and G on checklist. I have been informed that VFS Global does not have any influence on the decision about a visa application! I confirm that the VFS officer has noted all documents submitted by me and that I want the application in its present form to be forwarded to the German mission. I am aware that original documents not submitted with a copy will be kept by the visa section.
